

Aspen Air Duct Cleaning increases leads 1000% over the last 3 months.

Background:

Location: Methuen, MA

Industry: Air Duct Cleaning & Aeroseal

Founded: 2008

The Challenge:

Aspen Air Duct Cleaning was struggling to implement a professional marketing system to increase sales and keep their schedules full. They were also spending money on digital ads but were unsure of the results.

The Solution:

Phlash Consulting built a new website to properly convert website visitors into leads.

Also, implemented local SEO and website SEO strategies to increase website traffic.

The Result:

The partnership with Phlash Consulting has resulted in 10x more leads per month. While also implementing a professional marketing plan that will scale with the company.
